

While the transition to a new space may be daunting, relying on Karen to make it less so with her interior design expertise and her sensitivity to your living style will make the move a better experience.

As one of her long-time clients said:

“Everybody needs a Karen”.

Karen Ellentuck founded Ellentuck Interiors, a Seattle-based interior design firm working in residential and commercial design in 1991.

An award-winning interior designer, Karen uses her design skills to create custom spaces—selecting fine furniture, fabrics, tile, lighting and other materials through her access to numerous resources, both locally and nationally. Her residential work has included projects ranging from individual rooms to 10,000 square-foot custom homes to multi-family condominiums.

IMAGINE A FRESH START

Shifting from a life of many decades in a single family residence to a condominium is a complex transition. Adapting your furnishings to a new space can be a formidable challenge. Ellentuck Interiors can assist you with all the details and provide you with a home which provides comfort, renewal, and suits your new lifestyle and activities.

In the practice of interior design for nearly 20 years, Karen Ellentuck has mastered the art of space planning. She possesses an ability to develop the best furniture layout within all four walls of a room to create a functional and aesthetic arrangement for your furnishings so the potential of your new space is realized.

FACE YOUR MOVING CHALLENGES WITH A PROFESSIONAL INTERIOR DESIGNER

Along with home furnishing decisions, Karen also tackles other questions you may be asking yourself relating to your new space:

- How can I organize the allotted storage space to maximize its use?
- What new furniture and furnishings do I add to take full advantage of my living spaces?
- Do I need to add built-in cabinetry for storage and display?
- Where do I hang my artwork?
- What window coverings will I use considering the need for privacy, light control, and decoration?
- How do I set-up my home office?

LIVING WELL IN YOUR NEW HOME

Here is a little bit about our process. We are happy to help you with one or all of these services:

- Assess your current living arrangement and determine how it can be best transplanted to the new space, what will remain and what might need a new home.
- Present appealing options for new furnishings, lighting, and window coverings - to enhance the livability of your new space
- Provide design services for closet storage, custom cabinetry, and lighting
- Provide room layouts for specialty areas, such as your home office or media room
- Place and have artwork installed appropriately in your new space with the aid of a professional
